### **Instructions for Use**

1. Use this form to document and obtain approval for approval for significant changes to the EDR or SAP. Significant changes constitute changes in remedial goals, sampling protocol, schedule, deviations from the Order or any issues that arise that are not resolved by agreement between PLP representatives and Ecology.
2. In the case of significant changes, described above, the form on the other side should be completed. The issue section should include a specific reference to the section of the Order, EDR or document that is in dispute. If the issue requires rapid resolution, the requestor may call Louise Bardy at (425) 649-7209 or her designated representative before completing and FAXing the form.
3. After the form is filled out and signed by the requestor, FAX the completed form to Louise Bardy at 425-649-7098.
4. All completed forms should be copied in duplicate, with one copy remaining with the EDR/SAP and one copy sent to Louise Bardy.
